### About the Author

David Takle is an author and teacher who for over 25 years has been studying the spiritual dimensions of recovery as well as the widespread problem of spiritual stagnation among Christians everywhere. Since 2000, his work has focused on how people can develop an authentic interactive relationship with God that is vibrant enough to bring about real change in their lives.

### Kingdom Formation Ministries

Kingdom Formation Ministries is dedicated to helping Christians move away from a performance-driven approach to Christianity and into a relationship with God that can change everything else about their life.

*Experience how God  
can change your life!*

Have you ever thought ...  
 “There must be more to the  
 Christian life than what I have  
 experienced so far”?

Do you ever feel like God is  
 a million miles away?

Do you wonder if God  
 really likes being with you?

Has your spiritual growth  
 slowed down more  
 than you wish it had?

Would you like to hear God  
 speak into your life?

What if you could jump-start  
 your spiritual journey again?

In *Forming*, Christians from all walks of life are discovering how to engage with God more deeply, leading to transformation and growth like they have never experienced before! Seasoned Christians as well as those new to the faith have been transformed by the training they have received in this course. *Forming* speaks to Christians of all faith traditions and all levels of spiritual development, whatever their previous training and life experience.

God wants to have a relationship with us  
 that is so incredibly dynamic it changes  
 who we are from the inside out!

All we need to do is learn how to participate  
 with Him so He can do in us what we would  
 never be able to do for ourselves – change  
 our heart and mind to be more like His!

*Forming* shows us how to engage with God  
 so He can form us into the person  
 He created us to be!

## What is *Forming*?

*Forming* is a fresh, life-giving approach to spiritual growth and restoration that may be very different from what you have tried before. What makes *Forming* unique is that instead of relying on your willpower and self-effort to bring about change in your life, we help you build a relationship with God that is vibrant enough to change you from the inside out.

Many Christians experience a significant period of growth immediately following their conversion. But after a few years, most find themselves in a place where their growth is slowing down and a level of discontent is setting in. Often this happens because we fall into a pattern of trying hard to live out the Christian life instead of learning how to receive the life we need from God.

If you are weary of performance-driven “row harder” approaches to spiritual growth, then join us in learning how to “align your sail” with the Spirit of God for the kind of change you always believed should be possible.

*Forming* consists of twelve 90-minute sessions, each with a particular focus intended to jump-start your spiritual life and help you develop a deeper relationship with God. Insightful teaching is provided on videos, and relevant exercises are included in the workbook to help participants internalize the material and actually experience more of God. Nearly two-thirds of each session is devoted to these exercises and group discussions.

A facilitator version of the workbook is also available for leading small groups.
